

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Kerrie Sue Keefe v Francios Jean Perreault**
Docket No. **308533**
L.C. No. **04-024320-DM**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because it was not filed within 21 days of the January 18, 2012 order appealed from and no motion for postjudgment relief was filed within the initial 21-day appeal period. MCR 7.204(A)(1)(a). Notably, although the claim of appeal indicates that the order appealed from was entered on January 20, 2012, the copy of the order appealed from is dated January 18, 2012 and there is a corresponding January 18, 2012 entry in the circuit court register of actions provided with the claim of appeal. There is no subsequent entry in that register of actions. At this time, appellant may seek to appeal the January 18, 2012 order only by filing a delayed application for leave to appeal under MCR 7.205(F).
